

Arteflame Warrantee

We warrantee all our products against manufacturing defects for one (1) year from the date of purchase by the original purchaser. Arteflame alone will decide if a warrantee claim is eligible. Upon leaving a review, an additional year of warrantee is added for a total of two (2) years from date of purchase. Customers with a product in need of warrantee have to ship or deliver the product to our factory (Arteflame does not pay or reimburse shipping costs).
